School Place Applications for 2025

You can apply for primary school places online at <http://www.wiltshire.gov.uk/schools-learning-admissions-applying>

The deadline for primary school applications is 15th January 2025.

Year 1 Mini Mudder at Sheldon School

Last Friday, all of the Year 1 children went to a Mini Mudder sports event at Sheldon School. The children enjoyed many different activities including climbing, jumping and throwing balls. All the Year 1 children had a great time and were very keen to have a go at all the stations.

"I enjoyed jumping over the hurdles." **Oscar**

"I liked doing the obstacle course." **Rubie**

"I enjoyed when we were rolling the barrels." **Emily T**

Christmas Lunches

A reminder that we are serving Christmas Lunches during the week of 9th December. We will be serving two classes per day as follows:

Mon 9 th December	Tues 10 th December	Weds 11 th December	Thurs 12 th December	Fri 13 th December
Wrens Owls	Starlings Robins	Puffins Nightingales	Hawks Buzzards	Falcons Kingfishers

A message from the Headteacher

It is beginning to look very festive, with trees and decorations being put up around the school. We had some very special visitors on our playground on Monday - the Christmas Elves! They have been making their way around the school this week, visiting Wrens, Owls, Starlings and Robins so far!

We were treated to wonderful Christmas performances from the children in Wrens, Owls, Starlings and Robins classes. It was great to see their enthusiasm and enjoyment when performing, with excellent acting and narrating, and outstanding singing. Well done to all of the children and thank you to the staff for all of their hard work in putting this together.

This week, we heard that following the Poppy Appeal in November, Redland School raised an amazing £142 for the Royal British Legion. Thank you for your support.

Have a good weekend.

Best Wishes

Mrs Joy

Falcons and Kingfishers trip to the Science Museum, London

On Monday, Falcons and Kingfishers classes went to the Science Museum in London. The children had a brilliant time exploring the different areas of the museum and visiting the IMAX. Here are some of their comments:

"One of the best things about the trip was the Space IMAX experience. It was all in 3D, and amazing to see how they do things up there! I also enjoyed learning about other things including engineering."

Imogen

"I loved the trip! The IMAX film made you feel like you were actually there, in space with the astronaut. I liked the sections in the museum on mathematics and medicines. The long drive was worth it!"

Rosie
"My favourite bit was the IMAX cinema where you could see the International Space Station."

Theodore

"The IMAX screen is one of the biggest in the UK and it is also 3D!"

Alice

Christmas Postbox

We have put up our Redland Christmas Postbox in school this week. Children can bring in cards from next Monday. Please can you ensure that class names are also written on the envelopes, so they can be easily distributed. Thank you.

FORS NEWS

Christmas Fayre

Thank you for your support with donations for the Christmas Fayre.

We are really excited for the 2024 Christmas Raffle which is packed with amazing prizes including vouchers for fun days out, activities and a PlayStation 5 as our star prize! There will be another opportunity to buy raffle tickets at the Christmas Fayre tomorrow. You have to be in it to win it - don't miss out on the chance to win some fantastic prizes while supporting our school!

We look forward to seeing you at the Christmas Fayre tomorrow!

Christmas Present Room

On Tuesday 10th December, The FORS are in school all day providing a Christmas shopping experience for the children. They will be able to purchase up to two gifts for family members, with prices ranging from £1 to £2 per item.

We will help them wrap their chosen gifts so that they will be a lovely surprise on Christmas Day. **This is open to all children in school.** If you would like your child/children to take part, please send them into school on Tuesday, with money in a wallet or sealed envelope. Thank you.

wednesday 5th December 2024
London Space Museum/Planetarium

Do you like science? Well, if you do, the London Science Museum is the place for you! Reading was the first thing I did when I got to the museum. I saw a lot of things that I had never seen before. I saw a lot of things that I had never seen before.

The Coach Ride
The first thing I did when I got to the museum was to take a coach ride. The coach was very comfortable and the driver was very friendly. We went to see a lot of things that I had never seen before.

Animal and I
When we got there, we split up into our groups. We were put into groups and we had to go to the zoo. We had a lot of fun and we saw a lot of things that I had never seen before.

WWII
One of the things that I saw was a model of a plane. It was a very old plane and it was very interesting. I saw a lot of things that I had never seen before.

Lunch
We had a very good lunch. The food was very good and it was very interesting. I saw a lot of things that I had never seen before.

Who am I?
I saw a lot of things that I had never seen before. I saw a lot of things that I had never seen before.
